INSPIRED BY NATURE, ILLUSTRATED WITH ELEGANCE

Hi there! I'm Jesika Neemann, the artist behind Naturally Antique Art Studio. I create nature-inspired illustrations and patterns, blending detailed pencil sketches with hand-drawn digital colorwork. My work focuses mainly on floral art prints and wallpapers, all designed to bring a sense of peace and beauty into your home and heart. My goal is to help you create a space that feels grounded and timeless, even in a chaotic world.

ABOUT JESIKA

Jesika Neemann is the artist and founder of Naturally Antique Art Studio, where she creates elegant, nature-inspired illustrations and patterns with a timeless aesthetic. Based in the desert of southern Utah, Jesika blends traditional pencil sketching with hand-drawn digital colorwork to produce richly detailed & flexible artwork.

Jesika is known for her intricate art prints and nostalgic patterns, which have been featured in boutique shops, artisan markets, and beloved by collectors for their warmth and heirloom feel.

Jesika is highly proficient with Adobe Photoshop & Illustrator - her background in graphic & web design gives her work a marketable & customer oriented focus. Designing intentionally, she creates with the end product in mind, aiming for a positive and peaceful impact as customers and clients interact with her work.

Jesika is a young mother to five children & is endlessly inspired by intentionally recognizing and accentuating the beauty in the mundane ordinary moments of life. She also loves knitting, rainy days & ALL things vintage.
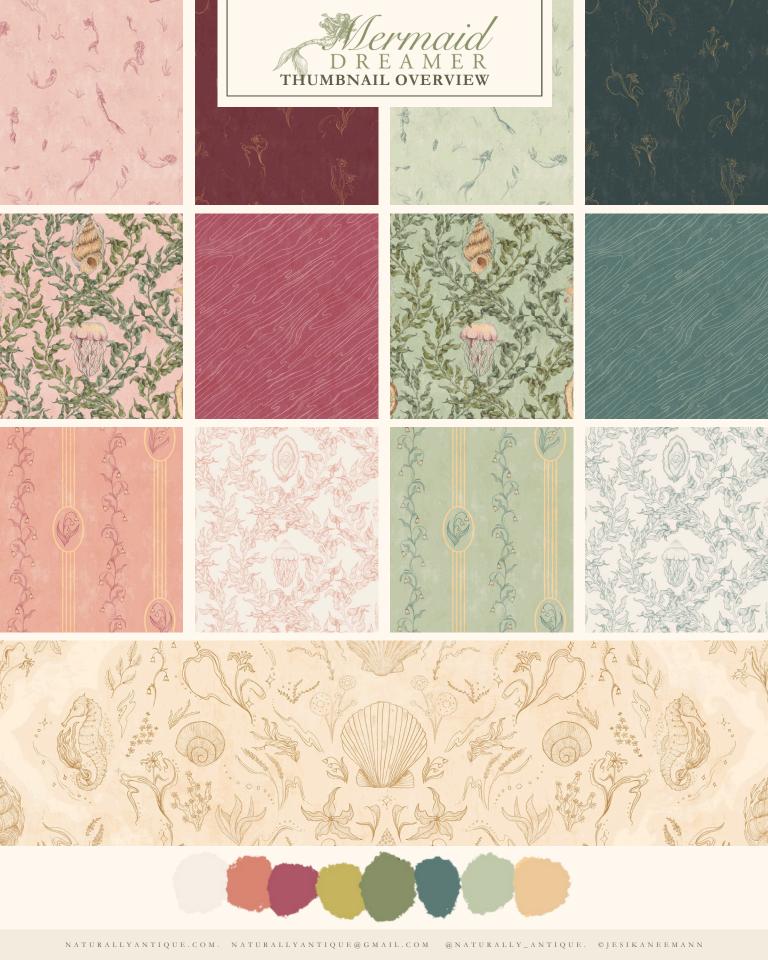

IN THE MARKETPLACE

- Naturally Antique offers detailed, heirloom-inspired artwork designed to bring warmth, elegance, and lasting meaning into everyday spaces.

- Our customers are women between 40-75 who value beauty with depth—art that feels personal, timeless, and emotionally rooted. But the art is genuinely enjoyed by all who love antiques.

- Each design begins with hand-drawn linework, & hand colored digitally resulting in a style that feels classic and while retaining the flexibility digital tools offer.

- Our collections are built for storytelling—ideal for products that celebrate milestones, evoke nostalgia, or elevate daily rituals.

- We love partnering with brands who share our appreciation for quality, intentional design, and creating lasting products that offer calm and connection in a fast-paced world.

I've always had a love for the ocean & one of my earliest memories is pretending to be a mermaid anytime I stepped into water. These dreamy mermaid visions are the core of this collection. Thinking about what mermaids would find & treasure, the underwater flora they pluck on their afternoon swims & more. I felt like the pink & teal palettes we're the perfect choice leaning into a feminine etherial pearlescent expression. I imagine this on stationary but I think it would also be fabulous in a bedroom or bathroom for a mermaid at heart.
